Interested in selling your work in The Scrap Exchange's Artists' Marketplace?

Are you looking for a place to exhibit and sell items that you've made? We accept 2D and 3D pieces – artwork, crafts, functional items... We focus on work made with reusable (or reused) materials.

To be considered, please provide a sample of your work along with your contact information to any staff person in the store. We will review your work and let you know within one week if we will be able to carry it. (Sorry, but we can't make on-the-spot decisions.)

If we accept your work for sale, we ask for a short biographical statement to be displayed by your work, and will make an appointment to inventory your work and put our price tags on.

We sell on consignment, with 60% of proceeds going to the artist and 40% staying with The Scrap Exchange, so please price your items accordingly.

If you have any questions, please call Wendy Tregay, Retail Supervisor, at 919-688-6960.
